FROM THE PASTOR

SAFETY AT OLG

In light of the recent tragedy at the Tree of Life Synagogue in Pittsburgh, PA, Our Lady of Guadalupe Parish would like to remind our parishioners that safety is a top priority. Our Lady of Guadalupe Parish has a safety response team (which includes the OLG ushers) who have been instructed on how to respond during various possibly dangerous situations including: medical emergencies, fire and smoke, evacuation needs, severe weather and an intruder/active shooter.

Sadly, it is important to note that not all of these situations can be prevented. If you are aware of someone who displays violent behavior, makes threats to others, talks about hurting others, or loses their self-control frequently, contact our local law enforcement.

Additionally, church safety and finding creative ways to respond to these ongoing concerns has been part of the discussion of the Central Bucks Christian Ministerium. The Parish Finance Council and Parish Pastoral Council will also continue to discuss parish safety. We continue to pray for the Pittsburgh victims and all victims of unnecessary violence.

ARCHBISHOP CHAPUT COLUMN

Synod 2018: Some Concluding Thoughts

Synods are important events in the life of the Church, but nearly four weeks of discussing any subject can become wearying. It's good to be home, and I'm grateful to all those who offered their prayers and support for the meeting's success.

SEMI-ANNUAL PARISH FINANCIAL UPDATE, OCTOBER 27 & 28, 2018

Richard Clark, Chair Parish Finance Council

On behalf of the Parish Finance Council, I'm here to give our semi-annual update on the state of our finances and at this time, it is our Year-End Update, which concluded on June 30.

During our last update we spent time discussing our **Weekly Offertory** and what that means. Recall that St. John Paul II pointed to the local parish as the place where families encounter Christ in very real, practical and pastoral circumstances. We try our best to promote these ideals in everything that we do here at Our Lady of Guadalupe. Our staff likes to refer to this commitment as the "Our Lady of Guadalupe Difference". With this as our guide, we suggest that there is no better investment in the world than this local parish. We have come so far since 2011 when we first began celebrating mass in our beautiful church and chapel. We have enjoyed our Parish Life Center for the past 15 months and now, as you can see, our spectacular courtyard is almost complete! Sort of...has anyone seen a fountain? We await its arrival any day now.

As you know, as Catholics and faithful parishioners of OLG, we have a responsibility to support the material needs of the Church to assist us in worship, ministry, service and charity to our neighbor. From our founding 18 years ago, we have endured many struggles, the first clergy scandal, raising the funds to build our parish facilities during the financial collapse and recession and now, in the midst of the present scandal, which has affected all of us so deeply and raises grave concerns and mixed emotions about our Church and her leaders. It might interest you to know that it has been during those difficult times of struggle and pain that from within the Church some of her finest saints have come forward to lead renewal and reform. Might this be a time when from among our parishioners that we are being called in various ways to witness to true reform and renewal and to authentic witness to our Catholic Faith.

I know I speak on behalf of Monsignor Gentili that you can be assured that the Finance Council, Pastoral Council, Clergy and Staff are committed to making this place of worship a safe environment for our youth and all who are a part of our worshipping community. We are committed to accountability, transparency and action (to growing disciples and making Church matter).

To that end, we need your help and continued commitment. I have referenced in our previous updates that we need to increase our Sunday collections to \$32,000 per week to achieve financial solvency. During our past fiscal year, our average weekly collection was \$27,165, which allowed us to pay for 93% of our expenses and our mortgage; the remaining 7% had to be funded by our very limited savings. This is not sustainable for our long-term financial well-being.

Our mortgage principal with the Archdiocese for the church and chapel has been reduced to \$10.3 million, with the most recent annual payment of \$435,000 on June 30. The interest payment for this current fiscal year will be \$209,000. Our mortgage commitment is for the next 24 years, until 2042. The interest payment also assumes our current rate of 2%, which we will renegotiate in June of 2019.

To meet our mortgage commitments and to pay for our normal operating expenditures, our weekly collections need to increase to \$32,000 per week by 2020. In order to meet that goal, we would need each parishioner to increase their weekly offertory by 10%; for example, if your weekly donation is \$50, we ask that you increase it to \$55. If you give \$100 a week, we ask that you increase it to \$110. If you haven't been able to contribute thus far, we ask that you begin to do so. If the entire parish participates in this 10% ask, we will **definitely** reach our goal, just as we have reached every one of our goals in the past as outlined in our strategic plan.

As we have mentioned, one easy and essential way to help reach this goal is by participating in Parish E-Giving, it is a safe and secure method of **consistently** giving to OLG. It is very easy to enroll, via the website or our kiosks in the Narthex. Egiving allows you to simply "pay for church" in the same manner you probably pay your other bills, on-line. Participation in e-giving has grown to 25% of contributions currently received. We are grateful to those who have transitioned to this method of consistent, sustained giving.

We all love our parish home here at OLG and the warm, welcoming environment that you feel every time you walk through the doors, encountering all of the vibrant ministries and services with which you interact on a regular basis. Can we count on you to keep this vibrancy alive and growing? Thank you for your continued example in faith and commitment to our parish. May God bless you and your families.
