For your convenience, registration can be completed and tuition paid online. When utilizing manual PREP registration, payment must be received when your registration form is submitted to the OLG Office.

Tuition reimbursements for the amount of \$235 are available for teachers, co-teachers, assistants and hall monitors. If you are interested in volunteering please call me. No experience is necessary—we will provide you with the necessary materials and guidance.

Again, thank you for your support and for making your children's religious education a priority. I look forward to a new and exciting year!

Sincerely,

*Joanna Huckel*
