Words from Ecole Presbytérale St. Jean Bosco to our friends from OLG

Dear visitors, friends,

It's been quite long since we heard the announcement about your visit to our community and most especially to our beloved school. We patiently and open handedly waited for you. Today that this expectation becomes a reality, we are more than happy to welcome you among us. Thus, on behalf of our community, on behalf of the responsible of Ecole Presbytérale Saint John Bosco: the fathers; the principal; the 19 teachers, on behalf of my schoolmates and in my own name, I wholeheartedly greet you and wish you a very warm welcome in our midst.

You have come from afar, you have suspended your regular works and personal activities, you have left for a moment your families, and you have chosen to take our dangerous and tiring roads in order to reach out to us. Our words will never be enough to fill such enormous sacrifice, but they imply the deepest expression of our hearts. Father Anaclet told us that you have chosen us among so many people to be the beneficiaries of your healthcare mission. This choice more than a privilege is a living sign of your love for us. You truly love us. Thank you! Thank you! Thank you once again.

Your coming to care for our health means bringing us life, and giving life is the greatest expression of love. Allow us then to call you our dearest friends. Feel at home, feel at ease among us.

May God bless you!!!

"We wish you welcome and Thank you so much!!! God bless you"

Fr. Anaclet Makendi, CICM
Vikar Marie-Suzanne

P. Bavon Marie

OLG Parishioners Support Haiti

Monsignor Gentili and the Foreign Missions Ministry **THANK** all the OLG Parishioners for their ongoing support of the Community of Bois de Laurence, Haiti

The children of Saint Jean Bosco School benefited from OLG parishioners generosity both in providing medical supplies and donations to fund teachers and school supplies.

Preparing for Clinic: Missionaries prepare tote bags for all 750 children with the supplies donated by OLG parishioners.

Father Anacleat presents one of 50 baby blankets made by OLG parishioners.

Sean McArdle, OLG parishioner, performs vision tests on all students.

Leah Lynch, OLG parishioner, take vital signs and provides de-worming medicine for the children.

Happy customers!
